January 2017

Welcome back! We hope everyone had a great Christmas break.

Our topic this term is 'Our Big World' and through this we will be learning about places near and far. As part of this we would ask you to send a photograph of your house to be used during Talking and Listening and Art activities. Please write your child's name on the back of the photograph.

In Literacy we will continue to introduce letter names and sounds along with high frequency vocabulary.

In Maths we will continue to work with numbers up to 10 and through our topic we will investigate money, length and weight.
