

## **DIGITAL APPLICATIONS FOR CHILDREN STARTING P1 IN SEPTEMBER 2024**

The Education Authority (EA) are using online applications for admission to Primary 1 for the September 2024 intake.

A portal for parents, to apply online for a place, has been created and will require parents to list preferences of schools. This replaces the paper based application form.

Parents can access the online application at:

[www.eani.org.uk/admissions](http://www.eani.org.uk/admissions)

**The Go Live date for digital applications is Tuesday 9<sup>th</sup> January 2023 at 12 noon. The closing time and date for punctual applications will be 12 noon on Friday 26<sup>th</sup> January 2023.**

For the forthcoming academic year, parents will still need to provide their child's birth certificate and verification documents directly to the first preference provider/school by **Wednesday 31<sup>st</sup> January at 4pm**. There will be the option of uploading these during your online application process.

The EA will provide a telephone helpdesk for questions relating to the admissions process on 0289598595. Alternatively, please contact the school office on 91270392 if we can be of any assistance.

Details of our admissions criteria will be published on the EA website.
